15. Updation of PAN and Other details:

SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/2023/37 dated March 16, 2023, mandated furnishing of PAN, KYC details (i.e. Postal Address with Pin Code, mobile number, bank account details) and Nomination by holders of physical securities through Form ISR-1, Form ISR-2, Form ISR-3, Form SH-13 and Form SH-14 (as applicable). Moreover, shareholders are encouraged to register their e-mail IDs to avail online services. The said forms are available on the website of the RTA at <https://www.bigshareonline.com/Resources.aspx>

In terms of above Circular, folios of physical shareholders wherein any one of the said details such as PAN, KYC details and nomination are not available, shall be frozen with effect from October 1, 2023 and such physical shareholders will not be eligible to lodge grievances or avail service requests from the RTA of the Company and will not be eligible for receipt of dividend in physical mode until the said details are furnished. Further, Shareholders holding shares in physical mode are requested to ensure that their PAN is linked to Aadhaar by June 30, 2023 or any other date as specified by the Central Board of Direct Taxes to avoid freezing of folio.

Further, as per the above SEBI circular, the frozen folios shall be referred by RTA/ Company to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and Prevention of Money Laundering Act, 2002, after December 31, 2025.

Accordingly, the RTA has sent individual letters to all the Members holding shares of the Company in physical form for furnishing their PAN, KYC details and Nomination. In view of the above, Members holding shares of the Company in physical form are requested to go through the requirements available on the website of the RTA at <https://www.bigshareonline.com/Resources.aspx> to furnish the requisite details.

16 Dematerialization of shares:

With effect from April 2, 2026, SEBI has dispensed with the requirement of issuance of a Letter of Confirmation (LOC) by the Company/RTA while processing service request#. Accordingly, securities will be credited directly to the shareholder's demat account upon submission of valid demat account details along with the latest Client Master List (not older than 2 months), Demat Conversion Request Form for NSDL/ Demat Request form for CDSL and Latest Client Master List, both attested by Depository Participant, besides mandatory documents for the subject service requests subject to folio being KYC Compliant. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR-4, the format of which is available on the Company's website at www.shivagrigo.com and RTA at <https://www.bigshareonline.com>

Request for Issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/ exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/folios; transmission and transposition.

Further, all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialised form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization, Members are advised to dematerialize the shares held by them in physical form. Members can contact the Company or the RTA for assistance in this regard

17. Pursuant to the provision of Section 72 of the Companies Act, the facility for making nomination is available for the Members in respect of shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. The said Form can be downloaded from the RTA's website www.bigshareonline.com. Members holding shares in physical form may submit the same to Bigshare Services Private Limited ("RTA") quoting their folio no. Members holding shares in dematerialized form may submit the same to their respective depository participant.
18. All the documents referred to in the accompanying Notice and Explanatory Statements, shall be available for inspection without any fee through electronic mode, the request be sent to shivimpl@shivagrigo.com
19. The Register of Directors and Key Managerial Personnel and their Shareholding maintained under Section 170 of the Companies Act, the Register of Contracts or arrangements in which Directors are interested under Section 189 of the Companies Act shall be available for inspection by the members electronically up to the date of 47th AGM, the request be sent to shivimpl@shivagrigo.com

STATEMENT ANNEXED TO THIS NOTICE

EXPLANATORY STATEMENT PURSUANT TO THE PROVISIONS OF SECTION 102 OF THE COMPANIES ACT, 2013

The following statement pursuant to section 102 of the Companies Act, 2013 ('The Act') set out all material facts relating to the business mentioned at the item No. 3 to 6 of the accompanied notice.

ITEM NO. 3:

Mr. Vimalchand Jain was appointed as Managing Director of the Company for a term of 3 (Three) consecutive years effective from 14th August, 2023, without any remuneration as per the terms and conditions approved by the Shareholders at the 44th Annual General Meeting held on 23rd September, 2023. His Current term will expire on 13th August, 2026.

Mr. Vimalchand Jain joined this Company in the year 1971 after completing his study of Mechanical Engineering (B.E.) as a partner in the erstwhile Partnership Firm known as Shiv Steel Works. The Company is progressed in leaps and bound under the supervision and guidance of Mr. Vimalchand Jain who is with the company since its incorporation. Mr Vimalchand Jain's stellar career spans diverse roles, with a strong emphasis on cultivating a collaborative and inclusive culture optimizing operations, fostering innovation, and driving profitability. As a forward-thinking and decisive executive, he thrives in dynamic environments, navigating challenges with resilience. Committed to driving sustainable growth, he brings a unique blend of strategic insight and operational expertise.

He is the pioneer and main driving force for the current status of the Company. Mr. Vimalchand Jain is also one of the promoters of the Company, and is liable to retire by rotation.

Recognizing the significant contributions made by Mr. Vimalchand Jain to the progress and development of the Company and to continue benefiting from his vast experience and expertise, the Board of Directors, based on the recommendations of the Nomination and Remuneration Committee and the Audit Committee at their meeting held on 29th May, 2026, approved / recommended the re-appointment of Mr. Vimalchand Jain (DIN: 00194574) as Managing Director of the Company for another term of three years, effective from 14th August, 2026 to 13th August, 2029 (both days inclusive), subject to the approval of the shareholders.

The Board is of the opinion that the re-appointment of Mr. Vimalchand Jain as Managing Director would be in the interest of the Company and it is desirable to continue to avail services of Mr. Vimalchand Jain as Managing Director due to his expertise, knowledge and extensive experience regardless of his age. Accordingly, the Board recommends the special resolution in relation to appointment of Mr. Vimalchand Jain as Managing Director, for the approval by the shareholders of the Company.

In accordance with Regulation 17 (1A) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, no listed entity shall appoint a person or continue the Directorship of any person as a Non-Executive Director who has attained the age of seventy-five years unless a special resolution is passed to that effect. Further as per the provisions of section 196(3) of the Companies Act, 2013, No company shall appoint or continue the employment of any person as managing director, whole-time director or manager who is below the age of twenty-one years or has attained the age of seventy years; Provided that appointment of a person who has attained the age of seventy years may be made by passing a special resolution.

Mr. Vimalchand Jain has attained the age of 77 years and hence in accordance with proviso to Section 196(3)(a), the Company seeks consent of the members by way of special resolution for continuation of his holding the office of Managing Director.

The Company has received the following from Mr. Vimalchand Jain:

- (i) the consent in writing to act as a Managing Director of the Company.
- (ii) intimation that he is not disqualified under section 164(2) of the Act or debarred pursuant to any order of SEBI, Ministry of Corporate Affairs or any such other Authority.
- (iii) disclosure of interest in other entities in terms of Section 184(1) of the Act.

The terms and conditions are set out herein below:

1. TENURE OF APPOINTMENT:

The re-appointment of Mr. Vimalchand Jain as Managing Director is for a period of 3 years with effect from 14th August, 2026.

SHIVAGRICO IMPLEMENTS LIMITED

CIN:- L28910MH1979PLC021212

2. DUTIES AND RESPONSIBILITIES:

Mr. Vimalchand Jain, the 'Managing Director' of the Company shall, subject to the provisions of the Companies Act, 2013, and overall superintendence and control of the Board of Directors of the Company, shall perform such duties and exercise such powers, as have been or may, from time to time, be entrusted to, or conferred on him, by the Board of Directors of the Company.

3. REMUNERATION:

No remuneration, compensation or financial benefits of any kind will be provided to Mr. Vimalchand Jain in exchange of his service. Further, Mr. Vimalchand Jain shall not be entitled to sitting fees for attending meetings of the Board of the Company or any committee(s) thereof

4. OTHER TERMS OF APPOINTMENT:

- a) The terms and conditions of the appointment of Mr. Vimalchand Jain may be altered and varied from time to time by the Board as it may, in its discretion deem fit, irrespective of the limits stipulated under Schedule V to the Act or any amendments made hereafter in this regard in such manner as may be agreed to between the Board and Mr. Vimalchand Jain, subject to such approvals as may be required.
- b) The appointment may be terminated by either party by giving to the other party one month notice of such termination.
- c) The employment of Mr. Vimalchand Jain may be terminated by the Company without notice or payment in lieu of notice:
 - (i) If Mr. Vimalchand Jain is found guilty of any gross negligence, default or misconduct in connection with or affecting the business of the Company to which he is required to render services; or
 - (ii) In the event of any serious, repeated or continuing breach (after prior warning) or non-observance by Mr. Vimalchand Jain of any of the stipulations contained herein as no separate agreement shall be executed between the Company and Mr. Vimalchand Jain; or
 - (iii) In the event the Board expresses its loss of confidence in Mr. Vimalchand Jain;
- d) In the event Mr. Vimalchand Jain is not in a position to discharge his official duties due to any physical or mental incapacity, the Board shall be entitled to terminate his contract on such terms as the Board may consider appropriate in the circumstances.
- e) Upon the termination by whatever means of the employment of Mr. Vimalchand Jain he shall immediately tender his resignation from offices held by him without claiming for compensation for loss of office and shall not without the consent of the Company at any time thereafter represent himself as connected with the Company.
- f) Mr. Vimalchand Jain will be liable to retire by rotation.

The Company has not committed any default in payment of dues to any bank or public financial institution or non-convertible debenture holders or any other secured creditor, if any.

The Company has received a notice from a Member, under Section 160 of the Act, proposing candidature of Mr. Vimalchand Jain as Managing Director.

Additional information in respect of Mr. Vimalchand Jain, pursuant to Regulation 36 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations') and the Secretarial Standards on General Meetings ('Secretarial Standards – 2') issued by the Institute of Company Secretaries of India are furnished and form a part of this Notice.

The terms of appointment including remuneration as set-out in the explanatory Statement, may also be considered as an abstract of the terms of appointment in terms of Section 190 of the Companies Act, 2013.

Given the expertise, knowledge and experience of Mr. Vimalchand Jain, the Board based on the recommendation of the NRC, proposes his re-appointment as Managing Director of the Company on the terms and conditions and remuneration as set out above, and recommends the Special Resolution set out in Item no. 3 of the Notice for approval of the Members.

Except Mr. Vimalchand Jain and Mr. Hemant Ranawat (being relative), none of the other Directors and Key Managerial Personnel of the Company and their relatives is, in any way, concerned or interested, financially or otherwise in the resolution set out at item No. 3 of the Notice, to the extent of their shareholding interest, if any, in the Company.

INDEPENDENT AUDITOR'S REPORT

To
The Members
Shivagrigo Implements Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Shivagrigo Implements Limited (hereinafter referred to as "the Company"), which comprise the standalone Balance Sheet as at 31 March 2026, the Statement of standalone Profit and Loss (including other comprehensive income), standalone Statement of Changes in Equity and standalone Statement of Cash Flows for the year then ended and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its Profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

We have determined that there are no key audit matters to communicate in our report.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit / loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors in the standalone financial statements.
- Conclude on the appropriateness of management's and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
 - (A) As required by Section 143(3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The standalone Balance Sheet, the standalone Statement of Profit and Loss (including other comprehensive income), the standalone Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on 31 March 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to the standalone financial statements.
 - (B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at 31 March 2026 on its financial position in its standalone financial statements - Refer Note 40 to the standalone financial statements;

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. As informed to us, the Company is not required to transfer any amount to investor education and protection fund.
 - iv. a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The Company has neither declared nor paid any dividend during the year.
 - vi. Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2026 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
- (C) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act:
- According to information and explanation given to us, the company has not paid/provided for any managerial remuneration during the year.

[vi] We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014 as amended prescribed by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 in respect of its manufactured products and are of the opinion that prima-facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

[vii] (a) In our opinion and according to the information and explanations given to us, the company has generally been regular in depositing with the appropriate authorities the undisputed statutory dues applicable to it. There were no arrears of outstanding undisputed statutory dues as at the last day of the financial year concerned for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, there were no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute except the following :

Nature of Dues	Amount	Forum Where dispute is pending
Excise Duty	1,09,378	CESTAT, New Delhi

[viii] There were no transactions relating to previously unrecorded income that had been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

[ix] (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

(b) In our opinion, the Company has not been declared wilful defaulter by any bank or financial institution or any other lender.

(c) In our opinion and on the basis of our examination of the books of account, the term loans taken by the Company have been applied for the purpose for which they were obtained.

(d) On an overall examination of the financial statements of the Company, funds raised on short-term basis had, prima facie, not been used during the year for long-term purposes by the Company.

(e) The Company does not have any subsidiaries, associates or joint ventures. Hence reporting under clause 3(ix)(e) of the Order is not applicable.

(f) The Company does not have any subsidiaries, associates or joint ventures. Hence reporting under clause 3(ix)(f) of the Order is not applicable.

[x] (a) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

(b) The Company has not made any preferential allotment or private placement of shares or convertible debentures during the year and hence reporting under clause 3(x)(b) of the Order is not applicable.

[xi] (a) According to the information and explanations given to us, no fraud by the Company or no fraud on the Company had been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act had been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and upto the date of this report.

(c) As represented to us by the management, there were no whistle blower complaints received by the Company during the year and hence reporting under clause 3(xi)(c) of the Order is not applicable.

[xii] The Company is not a nidhi company. Accordingly, clause 3(xii) of the Order is not applicable.

[xiii] According to the information and explanations given to us and in our opinion, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards.

- [xiv] (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- [xv] According to the information and explanations given to us, the Company has not entered into non-cash transactions with directors or persons connected with them. Accordingly, clause 3(xv) of the Order is not applicable.
- [xvi] (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Hence, reporting under clause 3(xvi)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities during the year.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Hence, reporting under clause 3(xvi)(c) & (d) of the Order is not applicable.
- [xvii] The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- [xviii] There has been no resignation of the statutory auditors of the Company during the year.
- [xix] According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- [xx] The provisions of section 135 of the Companies Act, 2013 are not applicable to the Company and hence reporting under clause 3(xx) of the Order is not applicable.
- [xxi] The Company does not have any subsidiaries, associates or joint ventures. Hence reporting under clause 3(xxi) of the Order is not applicable.

Annexure - B to the Auditors' Report

(Referred to in paragraph 1(A)(f) under 'Report on other Legal & Regulatory Requirements' Section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shivagrigo Implements Limited ("the Company") as of 31st March 2026 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

SHIVAGRICO IMPLEMENTS LIMITED

CIN:- L28910MH1979PLC021212

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

Considering the size of the company and nature of its business, in our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

STATEMENT OF CASH FLOW FOR THE YEAR ENDED 31ST MARCH, 2026

Accounting Policy

Cash flows are reported using the indirect method, whereby profit/(loss) for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of incomes or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents. **(Rs. in Lacs)**

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

1. GENERAL INFORMATION

Shivagrigo Implements Ltd. is a Company limited by shares, incorporated and domiciled in India having its Registered Office at A-1 Ground Floor, Adinath Apartment, 281, Tardeo Road, Mumbai 400007. The Company primarily deals in Rolling and Forging of agricultural implements and other products.

2. STATEMENT OF COMPLIANCE, BASIS OF PREPARATION, USE OF ESTIMATES AND JUDGEMENTS AND SIGNIFICANT ACCOUNTING POLICIES :

I. Statement of Compliance

The Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013

II. Basis of Preparation

- a) a) The Financial Statements of the Company are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis as per the provisions of the Companies Act, 2013 ("the Act"), except for :
- Certain Financial Assets and Liabilities – measured at fair value;
 - Defined Benefit Plans – plan assets are measured at fair value.

III. Use of Estimates and Judgements

In preparing the Financial Statements in conformity with accounting principles and standards generally accepted in India, management is required to make estimates, judgements and assumptions that affect reported amounts of assets and liabilities and the disclosure of contingent assets and contingent liabilities as at the date of Financial Statements and the amounts of revenue and expenses during the reported period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to such estimates is recognized in the period in which the same is determined and in any future periods that may be determined to be affected. The Company has based its assumptions and estimates on parameters available when the Financial Statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the estimates and assumptions when they occur. The key assumptions concerning the future and other key sources of estimation that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities in the subsequent financial year/years, are described below.

Critical accounting estimates and judgments

- **Useful lives of property, plant and equipment and intangible assets:** The Company reviews the useful life of property, plant and equipment and intangible assets as at the end of each reporting period. This reassessment may result in change in depreciation and amortization expense in future periods.
- **Impairment testing:** Property, plant and equipment and intangible assets that are subject to depreciation and amortization are tested for impairment when events occur or changes in circumstances indicate that the recoverable amount of the asset is less than its carrying value. The calculation involves use of significant estimates and assumptions.
- **Income Taxes:** Deferred tax assets are recognized to the extent that it is regarded as probable that deductible temporary differences can be realized. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charge/credit in the Statement of Profit or Loss. Provision for tax liabilities require judgements on the interpretation of tax legislation, developments in case laws and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore the actual tax liabilities may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge/credit in the Statement of Profit or Loss.

SHIVAGRICO IMPLEMENTS LIMITED

CIN:- L28910MH1979PLC021212

- **Fair value measurement of financial instruments:** The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques. This involves significant judgements in selection of a method in making assumptions that are mainly based on market conditions existing at the Balance Sheet date and in identifying the most appropriate estimate of fair value when a wide range of fair value measurements are possible.
- **Litigation:** From time to time, the Company is subject to legal proceedings, the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a liability will crystalize and the amount of the liability can be reasonably estimated. Significant judgement is made when evaluating, among other factors, the probability of unfavorable outcome and the ability to make a reasonable estimate of the amount of potential loss. Litigation provisions are reviewed at each accounting period and revisions made for the changes in facts and circumstances.
- **Defined benefit plans:** The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each Balance Sheet date.

IV. **Material Accounting Policies**

Following is the list of the significant accounting policies adopted in the preparation of these standalone Financial Statements of Shivagrigo Implements Ltd. These policies have been consistently applied to all the periods presented, unless otherwise stated.

a. **Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

b. **Fair value measurement**

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received on sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

SHIVAGRICO IMPLEMENTS LIMITED

CIN:- L28910MH1979PLC021212

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of un-observable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 —Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 —Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Trade receivables, trade payables, cash and cash equivalents, other bank balances and other current financial assets and liabilities are generally considered to approximate their carrying amounts largely due to the short-term maturities of these instruments.

This note summarizes accounting policy for a fair value. Other fair value related disclosures are given in the relevant notes.

c. Revenue recognition

The Company earns revenue primarily from sale of products and sale of services. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. Revenue is measured net of returns and discounts.

Sale of products

Revenues are recognized when the Company satisfies the performance obligation by transferring a promised product to a customer. A product is transferred when the customer obtains control of that product, which is at the point of transfer of custody to customers where usually the title is passed, provided that the contract price is fixed or determinable and collectability of the receivable is reasonably assured. Revenue in respect of export sale is recognized on the date of bill of lading. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Sale of services

When the outcome of a transaction involving the rendering of services can be estimated reliably, revenue associated with the transaction shall be recognized by reference to the stage of completion of the transaction at the end of reporting period.

SHIVAGRICO IMPLEMENTS LIMITED

CIN:- L28910MH1979PLC021212

Interest income

Revenue from interest is recognized on accrual basis and determined by contractual rate of interest.

Duty drawback and other incentives

Duty Drawback and Other Incentives are accounted for as and when all the conditions are satisfied under the relevant regulations for making the claims and are measurable on a reliable basis and it is probable that the economic benefits will flow to the company.

d. Transactions in foreign currency

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. All monetary assets and liabilities as at the Balance sheet date are restated at the applicable exchange rates prevailing on that date. All exchange differences arising on transactions are charged to Profit & Loss Account.

e. Tax expenses

(i) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted, by the end of the reporting period.

(ii) Deferred tax

Deferred Income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the separate Financial Statements.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and Deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other Comprehensive Income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

f. Leases

The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

SHIVAGRICO IMPLEMENTS LIMITED

CIN:- L28910MH1979PLC021212

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and leases of low value assets. For these short-term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently re-measured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

A lease liability is re-measured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The re-measurement normally also adjusts the leased assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

g. Impairment of assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. Such impairment loss is recognized in the Statement of Profit and Loss. Assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period. In case of such reversal, the carrying amount of the asset is increased so as not to exceed the carrying amount that would have been determined had there been no impairment loss. Such reversal of impairment loss is recognised in the Statement of Profit and Loss.

h. Cash and cash equivalents and other bank balances

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash in hand, cash at bank and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Other Bank Balances include balances other than those classified as cash and cash equivalents and deposits with banks that are restricted for withdrawal and usage.

i. Trade receivables

Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. Trade receivables are generally considered approximate their carrying amount largely due to their short-term maturity period.

j. Inventories

Inventories are valued at the lower of cost and net realizable value. Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- **Raw materials:** • Cost of raw materials used for manufacture is determined on first in first out basis which includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

SHIVAGRICO IMPLEMENTS LIMITED

CIN:- L28910MH1979PLC021212

- **Finished goods (Self Manufactured) and work in progress:** • Cost includes cost of direct materials and a proportion of labour and other manufacturing overheads based on normal operating capacity. Cost is determined on first in first out basis.
- **Finished goods (Acquired for Trading):** • Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in first out basis.
- **Stores, spares & other consumables:** • Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in first out basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. Materials and other supplies held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. However, when there has been a decline in the price of materials and it is estimated that the cost of the finished products will exceed net realizable value, the materials are written down to net realizable value.

k. Property, Plant and Equipment

Freehold land is carried at historical cost. Other items of property, plant and equipment are stated at historical cost less depreciation. Historical Cost represents direct expenses incurred on acquisition or construction of the assets and the attributable share of indirect expenses and interest.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and such cost can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Items of Capital work-in-progress that are not yet ready for their intended use on the reporting date are carried at cost being direct cost, related expenses and attributable interest.

l. Depreciation methods, estimated useful lives and residual value

Depreciation on property, plant and equipment other than freehold land is provided on 'Written Down Value Method' based on useful life as prescribed under Schedule II of the Companies Act 2013.

* Freehold Land is not depreciated

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

m. Intangible assets

Intangible Assets are stated at cost less accumulated amortization and net of impairments, if any. An intangible asset is recognized if it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and its cost can be measured reliably. Intangible assets are amortized on straight-line basis over their estimated useful lives. An intangible asset is derecognized on disposal, or when no future economic benefits are expected to arise from continued use of the asset. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognized in the Statement of Profit and Loss when the asset is derecognized.

SHIVAGRICO IMPLEMENTS LIMITED

CIN:- L28910MH1979PLC021212

n. Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of respective assets during the period of time that is required to complete and prepare the asset for its intended use. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the period in which they are incurred.

o. Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortized cost using the effective interest method. Trade payables is generally considered approximate their carrying amount largely due to the short-term maturity of this instrument.

p. Provisions, contingent liabilities and contingent assets

Provisions are recognized when there is a present legal or statutory obligation or constructive obligation as a result of past events and where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent liabilities are recognized only when there is a possible obligation arising from past events due to occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

Contingent assets where it is probable that future economic benefits will flow to the Company are not recognized but disclosed in the Financial Statements. However, when the realization of income is virtually certain, then the related asset is no longer a contingent asset, and it is recognized as an asset.

q. Employee benefits

(i) Short-term obligations

The costs of all short-term employee benefits (that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service) are recognised during the period in which the employee renders the related services. The accruals for employee entitlements of benefits such as salaries, bonuses and annual leave represent the amount which the Company has a present obligation to pay as a result of the employees' services and the obligation can be measured reliably. The accruals have been calculated at undiscounted amounts based on current salary levels at the Balance Sheet date.

(ii) Post-employment obligations

The Company operates the following post-employment schemes:

Gratuity Fund –

The Company makes annual contributions to gratuity funds administered by the Life Insurance Corporation of India. The gratuity plan provides for lump sum payment to vested employees on retirement, death or termination of employment of an amount based on the respective employee's last drawn salary and tenure of employment. The Company accounts for the net present value of its obligations for gratuity benefits, based on an independent actuarial valuation, determined on the basis of the projected unit credit method, carried out as at the Balance Sheet date. The difference between

SHIVAGRICO IMPLEMENTS LIMITED

CIN:- L28910MH1979PLC021212

the obligation determined as aforesaid and the fair value of the plan assets is reported as a liability or asset as at the reporting date. Actuarial gains and losses are recognised immediately in the Other Comprehensive Income and reflected in retained earnings and will not be reclassified to the Statement of Profit and Loss.

Provident Fund

The Company pays provident fund contributions to a fund administered by Government Provident Fund Authority. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due. Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in the future payments is available.

r. Earnings per share

Earnings per share (EPS) Basic EPS is computed by dividing the profit or loss attributable to the equity shareholders by the weighted average number of Ordinary shares outstanding during the year. Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential Ordinary shares.

s. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial assets

(i) Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

(ii) Subsequent measurement

For subsequent measurement, the Company classifies a financial asset in accordance with the below criteria. The Company's business model for managing the financial asset and the contractual cash flow characteristics of the financial asset.

For purposes of subsequent measurement, financial assets are classified as under:

• Financial Assets at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Such financial assets are subsequently measured at amortized cost using the effective interest method.

Effective interest method: The effective interest method is a method of calculating the amortized cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

• Financial Assets at fair value through other comprehensive income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved by both

collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- **Financial Assets at fair value through profit or loss (FVTPL)**

Financial asset not measured at amortized cost or at fair value through other comprehensive income is carried at fair value through the statement of profit and loss.

(iii) Impairment of financial assets

Loss allowance for expected credit losses is recognized for financial assets measured at amortized cost and fair value through other comprehensive income. The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables that do not constitute a financing transaction as permitted by Ind AS 109 Financial instrument, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognized. Loss allowance equal to the lifetime expected credit losses is recognized if the credit risk on the financial instruments has significantly increased since initial recognition.

(iv) De-recognition of financial assets

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

B. Financial Liabilities

i Initial recognition and measurement:

The Company recognizes a financial liability in its Balance Sheet when it becomes party to the contractual provisions of the instrument. All financial liabilities are recognized initially at fair value minus, in the case of financial liabilities not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial liability.

ii Subsequent measurement:

All financial liabilities of the Company are subsequently measured at amortized cost using the effective interest method.

iii De-recognition

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

(c) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are recognized and measured at fair value. To provide an indication about the reliability of the inputs used in determining fair values, the Company has classified its financial instruments into the three levels prescribed under the applicable accounting standard. An explanation of each level follows underneath the table.

(i) Quantitative disclosures of fair value measurement hierarchy for assets and liabilities as at 31.03.2026: (Rs. in Lacs)

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

- Level 1: Level 1 hierarchy includes Financial Instruments measured using quoted prices. This includes listed equity instruments that have quoted price.
- Level 2: The fair value of Financial Instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.
- Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, included in level 3.

Note:

The management assessed that trade receivables, trade payables, cash and cash equivalents, other bank balances and other current financial assets and liabilities are generally considered to approximate their carrying amounts largely due to the short-term maturities of these instruments.

35 Financial Risk Management

The Company's activities expose it to market risk (including currency risk, interest rate risk and other price risk), liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk. The Company's risk management is carried out by a director under policies approved by the Board of Directors. The Director identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The board provides principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of non-derivative financial instruments and investment of excess liquidity. The risk management includes identification and evaluation of risk and identifying the best possible option to reduce such risk.

(A) Market risk

(i) Foreign currency risk

Foreign currency risk arises from future commercial transactions and recognized assets or liabilities denominated in a currency that is not the Company's functional currency (INR). The exposure of the Company to foreign currency risk is not significant. However, this is closely monitored by the Management to decide on the requirement of hedging. The position of unhedged foreign currency exposure to the Company as at the end of the year expressed in INR are as follows :

Currency	Rs. In Lacs		
	Asset (Receivable) INR	Liability (Payable) INR	Net Receivable/ (Payable) INR
31/03/2026			
US Dollar (USD)	81.65	40.71	40.93

EURO sensitivity		
INR/EURO Increases by 5%	-	(0.29)
INR/EURO Decreases by 5%	-	0.29

(ii) Interest rate risk

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period depends on the mix of fixed rate and floating rate of the borrowings and the expected movement of market interest rates. The status of borrowings in terms of fixed rate and floating rate are as follows:

	Rs. in Lacs	
	31/03/2026	31/03/2025
Fixed rate borrowings	14.92	21.45
Variable rate borrowing	1,592.46	1,305.59

		1,305.59	98.38%

Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates

	Rs. in Lacs	
	Impact on profit	Increase/(Decrease)
	March 31, 2026	March 31, 2025
Interest rates – increase by 50 basis points	(7.96)	(6.53)
Interest rates – decrease by 50 basis points	7.96	6.53

(B) Credit risk

Credit risk is the risk that a counter party will default on contractual obligations resulting in financial loss to the Company. The Company is exposed to credit risk from its operating activities primarily trade receivables. Credit risk on cash and cash equivalents and other bank balances is limited as the Company generally invests in deposits with banks. Trade receivables consist of customers from different geographical areas. In order to mitigate the risk of financial loss from defaulters, the Company has an ongoing credit evaluation process in respect of customers who are allowed credit period. In respect of walk-in customers the Company does not allow any credit period and therefore, is not exposed to any credit risk. In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 1 year past due. Outstanding customer receivables are regularly monitored. An impairment analysis is performed for all major customers at each reporting date on an individual basis. The maximum exposure to credit risk at the reporting date in respect of trade receivables is disclosed in note 7.

(C) Liquidity risk

Liquidity risk implies the risk that the Company may not be able to meet its obligations associated with its financial liabilities. The Company has a liquidity risk management framework for managing its short term, medium term and long term sources of funding vis-à-vis short term, medium term and long term utilization requirement. This is monitored through a rolling forecast showing the expected net cash flow, likely availability of cash and cash equivalents, and available undrawn borrowing facilities.
